Property Description

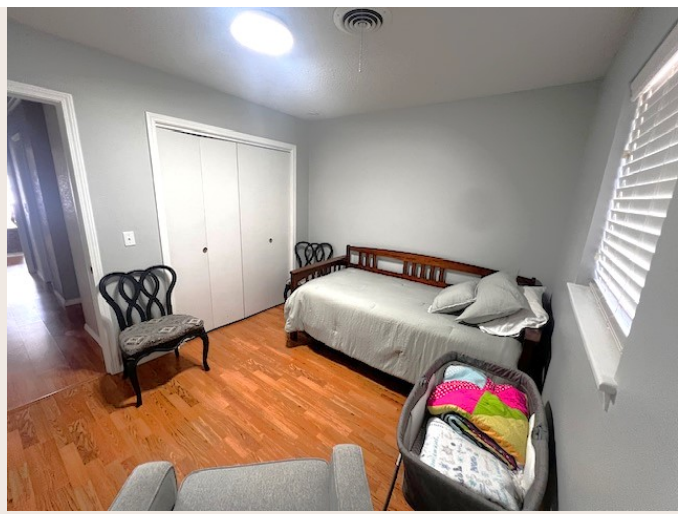

Discover this beautifully maintained 3-bedroom, 2-bathroom home that blends comfort and style on a generous 300 x 140 sq ft lot. Step inside to enjoy two welcoming living areas, ideal for both relaxation and entertaining. The cozy fireplace sets a warm ambiance, while the kitchen stands out with an oven framed by a charming brick encasement, adding both character and functionality to your culinary space. Enjoy year-round comfort with central air and heat and keep your lawn lush with an easy-to-use sprinkler system. For added peace of mind, a generator is ready on-site. The fully fenced lot includes a handy shed for additional storage, as well as a spacious two-car detached garage, making this home a perfect blend of charm, convenience, and utility.
