## Property Description

This adorable house showcases approximately 1,240 sq ft of living space with the 2 bedrooms, 1 bathroom, and 2 living areas. Carpeting throughout the house with the exception of tile in the bathroom and kitchen. Tons of storage in the kitchen, a gas fireplace/heater in the front living area, and a wood burning fireplace in the rear living area. Step into a backyard oasis with a water feature, pergola, covered back patio, and established flower beds. You can see the love and attention this house has had from the owners. Located close to the Intermediate School, the District Office, and the Rahl Center. Call for an appointment to see this home. You will fall in love with it.
