Property Description

This spacious 5-bedroom, 4.5-bath home approximately 3,500 sq ft of living space upstairs, plus an additional 800 sq ft of finished basement. Located in a fantastic neighborhood, this home features a den with a cozy fireplace, a large living room, and a huge primary suite with its own ensuite bathroom, walk-in closet, sitting area, and a second fireplace. The backyard is perfect for relaxing or entertaining with a pool, hot tub, and plenty of space. While the house does need some work, it presents a great opportunity to add your own personal touch and make it your dream home. Additionally, the 2-car attached garage provides plenty of convenience. This house needs to be seen. Call today to make an appointment for a private showing.
