Property Description

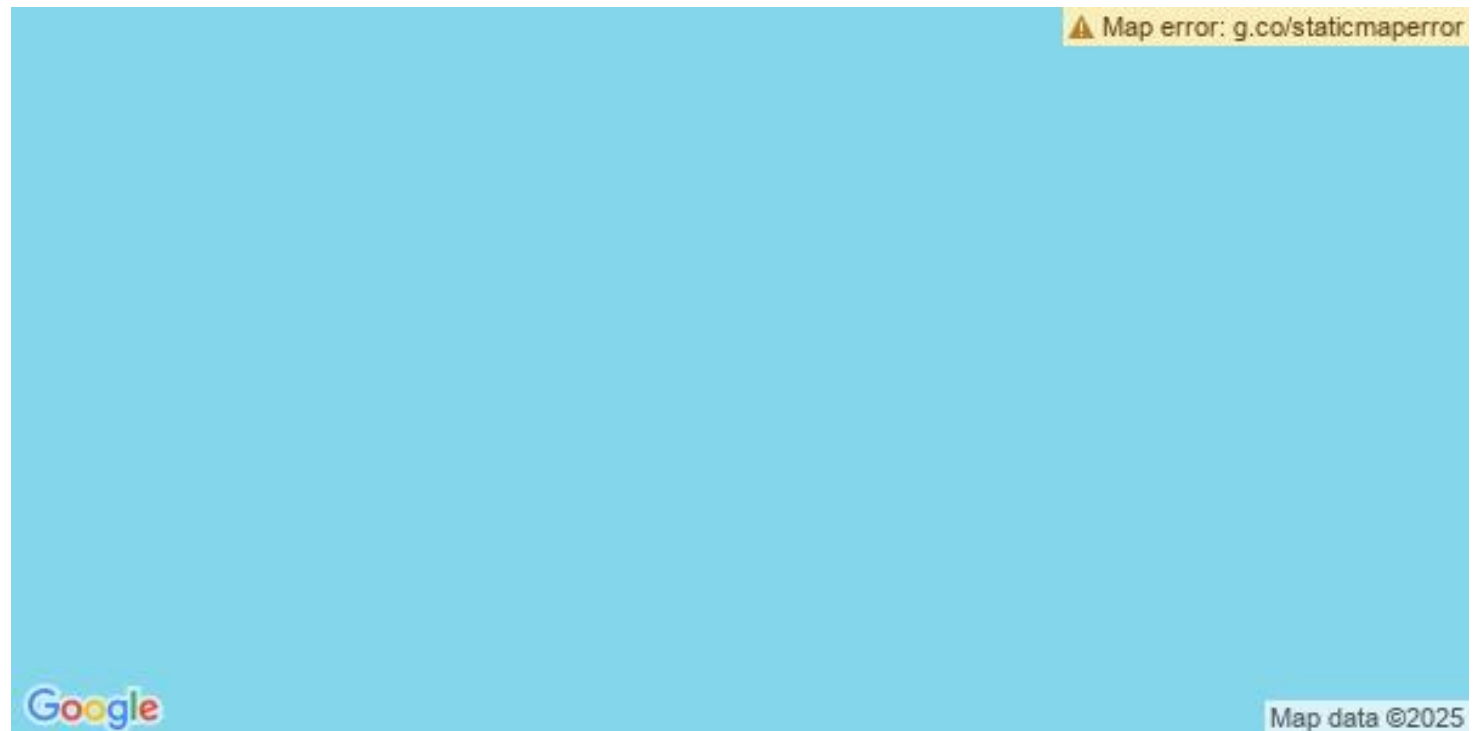

Come see the charm of this 1,502 sq ft ranch-style home perfectly located in Pueblo Place. Step inside and be welcomed by the open-concept layout, where the kitchen flows seamlessly into the living area—ideal for family time, whether you're cooking dinner or helping the kids with schoolwork.

The primary suite is designed for relaxation, featuring dual sinks, a spacious walk-in shower, and an oversized closet large enough to double as both wardrobe space and a desk or hobby nook. Throughout the home, you'll find abundant storage, offering more than you might expect.

Outside, the large backyard needs a little TLC but holds endless potential—create the outdoor space of your dreams and let your imagination run wild.
