308 Acres Dallam County

Property Details

County: **Dallam**

Gross Acres: **308**

Property Description

This irrigated farm is located on FM 102. It has a half mile of paved access. All three irrigation wells have submersible pumps which were installed in the spring of 2020. The irrigation wells and the pivots all run on 3-phase power making this a very efficient farm to operate. Call Coby for more details on the property.
