Bed / Bath: /

Gross Acres: **524**

Irrigated Acres: **360**

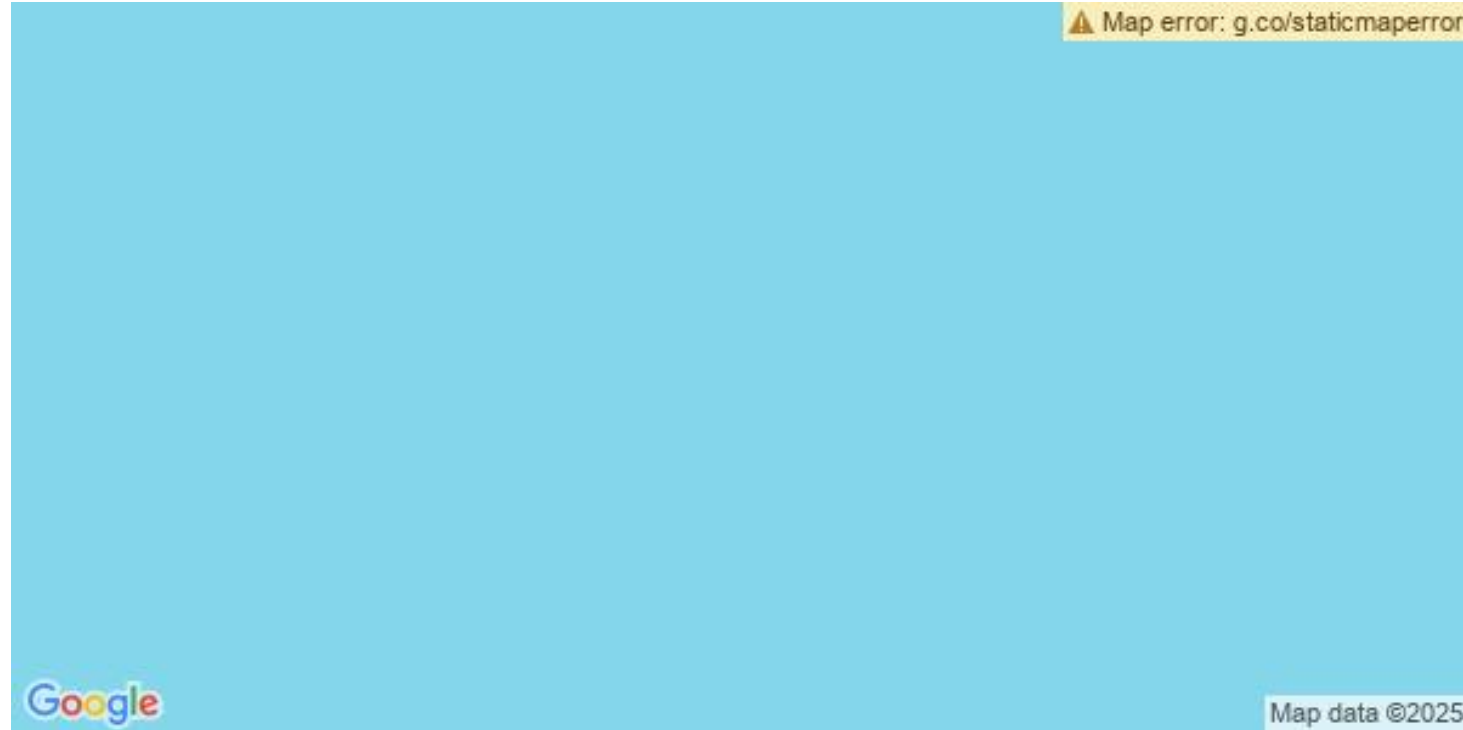

of Wells: **5**

Total Well Output GPM: **1,850**

Property Description

This Hartley County farm deserves your serious attention. With over 5 gallons per minute per irrigated acre and superb upkeep and maintenance, this place is hard to beat. Two of the five irrigation wells are less than 2 years old and all of the equipment has been thoroughly gone through and updated as well. The quality of this farm speaks for itself. Give Coby a call to discuss further details.
