Property Description

This superb half section rests just east of Dalhart on Fm 297. The farm has been well maintained and upgraded by its current owner. The farm boasts 800 GPM total from two recently drilled wells. With a mile of paved access and 1/2 mile of county road access you will have no trouble getting crops and equipment in and out. The 40 x 60 shop provides a great place to work and store equipment. The shop also has a 30-foot lean-to for outdoor covered storage. Give Coby a call today to discuss in further detail.
