Property Description

This quality section has not come to the market for 3 decades. It has been professionally managed and well maintained during that entire time. There are 5 irrigation wells producing a total of approximately 1300 gallons per minute and 4 quarter mile pivots for more efficient water management. This section is conveniently located just a few miles southeast of Dalhart on CORD E. Possession is available upon completion of the 2025 corn harvest. Give Coby a call to discuss it in more detail.
