County: **Hartley**

Bed / Bath: /

Gross Acres: **640**

Irrigated Acres: **500 +/-**

# of Wells: **5**

Total Well Output GPM: **1300**

## **Property Description**

This quality section has not come to the market for 3 decades. It has been professionally managed and well maintained during that entire time. There are 5 irrigation wells producing a total of approximately 1300 gallons per minute and 4 quarter mile pivots for more efficient water management. This section is conveniently located just a few miles southeast of Dalhart on CORD E. Possession is available upon completion of the 2025 corn harvest. Give Coby a call to discuss it in more detail.

## **Property Map / Directions**

This section is conveniently located just a few miles southeast of Dalhart on CORD E.
